Dear Mr. Dryden:

Re: Notice of Intention to Commence Exploration Activities, B and J Placer Project, M/015/041, Emery County, Utah

Thank you for your letter, received by the Division November 5, 1990, concerning John E. Welsh/Lanny L. Jensen's proposed large mining project located in the NE/4, SW/4 of Section 29, T22S, R9E, SLBM, Emery County, Utah. Your agency's designated file number is BJ-2 UMC #212727.

The letter does not satisfy the notice requirements of Rule R613-003 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, Utah Code Annotated.

The following information is still required:

The operator's October 31, 1990 submittal is deficient for the purpose of approving this operation under the Large Mine status (>5 acres). The Division requests that the operator address questions outlined in the enclosed Mining and Reclamation Plan form. Portions of the form have been crossed out, which I feel do not warrant further information. Those circled need to be addressed by the operator, particularly maps describing the location, extent and types of disturbance to be made on this site.
